"A beautiful and nourishing book."

De Trouw

"At the second reading, the melancholy and comfort of the book started to wash over us. We gave the detailed pencil drawings a chance to get to us. Especially the facial expressions of the nameless character were spot on and touched us deeply within our otherwise cold, cold hearts. "

## Frauke & Elke Leenhouwers

After you is the story of a loss. It reveals the intangible nature of heartache and grief, and it offers solace in a time when words are inadequate.

*Inseparable from birth, twin sisters* ***Elke en Frauke Leenhouwers*** *(1989 Sluis, The Netherlands) each found their own way when one of them moved to Bruges, and the other to Brussels. But despite the distance they visit one another regularly and continue to enjoy their shared passions together: traveling, art, culinary trips, and above all patisserie.*

*In their debut After you, the sisters showcase their love of storytelling. They combined Frauke's drawing and Elke's acting skills for this delicate, silent, black and white graphic novel.*
